

# MAKE JESUS REAL

Make Jesus Real  
Every day in every way  
Make Jesus Real  
Open your heart  
And Make Jesus Real

1.  
You are welcome in this special place  
A place where God is by your side  
We call you in,  
We call you friend  
And now you feel like you're at home.

2.  
Sometimes we all need  
encouraging  
Jesus says I am by your side  
You once felt small  
Come on stand tall and  
Now you feel you're not alone

3.  
If I am sad because I've done some wrong  
Jesus beckons me to him  
I'm sorry now,  
God's forgiving power,  
And now I feel we're friends again.

4.  
I'm so thankful for all I have  
Jesus' love has gifted me  
In everything I say  
In everything I do, and now  
I feel God's loving heart.
