Technologies
- Digital Technologies

# Some KEY Positives

**Successful introduction of one2one iPads in Year 4 in 2018.**

- **Educational benefit** - iOS11 introduced major changes that make the iPad a viable device that is able to meet our needs.
- **Financial benefit** – cheaper than a notebook computer!
- **Ergonomic & Pedagogical benefit** – smaller, lighter, easy startup and access etc
- **Motivational benefits** – students are genuinely motivated when using devices.
- **Assistive Technologies** – built into iPads helping students with learning difficulties

# How?

- We make use of extensive infrastructure and hardware to enable teachers and students to participate in the curriculum from Prep to Year 6 (shared devices P-3 and one2one 4-6)
- We have access to a variety of software and online systems designed to support the learning and teaching in the classrooms – both BCE provided resources accessed through the School Portal + other school based services.

- All teachers are committed to developing and improving their own digital skills & general capabilities.
- All teachers have an obligation to engage the students in the Technology (Digital and Design) Curriculum as well as to assess and report on student progress in the subject.

# The One-2-One Classroom

**Logitech Combo keyboard is approx. \$25 dearer.**

**Crayon remains the same.**

**ACE & App allowance remains the same.**

**Over 12 terms amounts to approx. \$7-8 per term**

# How can parents support the one2one program at home?

- Communication – issues, accidents, concerns
- Caring for the iPad (common sense)
- **Maintenance conducted at school ONLY**
- Screen time – setting boundaries and balance between work and ‘play’ (consider network controls such as Disney Circle)

# For Discussion:

- Parents who experience financial difficulty should contact John to discuss.
- Can current Yr 6 students pass devices onto siblings to use in 2020?
- Personal App installs? ... **No** ... All device management and installations are conducted by authorized personnel at school
- Further Questions?
