RETURNS AND EXCHANGES

We are happy to exchange items where the incorrect size has been purchased. We are not required to provide a refund or replacement if you change your mind.

You can choose a refund or exchange if an item has a major problem. This is when the item:

- has a problem that would have stopped someone from buying the item if they had known about it
- is unsafe
- is significantly different from the sample or description
- doesn't do what we said it would, or what you asked for and can't be easily fixed.

Please keep your proof of purchase - e.g. your receipt.

For security reasons, credit card details are not kept or stored. Purchases can therefore only be refunded in person during shop opening hours (Wednesday 3pm - 4pm during term time) and only onto the credit card that was used for the original purchase.
