## EXPLANATION OF FEES & LEVIES

Fees & Levies – school fees cover basic costs for tuition, salaries, maintenance and development of school buildings and the provision of special tuition. The St Andrew's Finance Committee set school fees annually taking into account the Archdiocesan recommended minimum fee and the local circumstances of the community. Fees and Levies are charged out at the beginning of each Term.

Capital Levy – This is a compulsory levy charged per family. It is used to meet current and future commitments for building projects.

Grounds Levy – This is a compulsory levy charged per family. It is used to meet current and future commitments for school grounds maintenance and improvements.

Resource Levy – This is a levy charged to students in Prep to Year 3 for learning resources, equipment and consumables.

Gala Sports Levy – Gala sport for Years 3 to 6 will be held in Term 3 and will incur a levy to offset the cost of buses to the relevant sporting fields.

Year 5 & 6 Camp – Year 5 and 6 Camp will be held in Term 1 or Term 4. The cost of the levy will cover accommodation, food, activities and transport.

Device Levy – This levy relates to the use of the school technology resources, software and hardware (including iPad devices).

Instrumental Music Program – The music program is an extra curriculum program and is open to year 4 to 6 students to participate in lessons, which includes being a part of our school bands.

Building & Library Fund Contributions – in addition to the above fees the school has a voluntary Building & Library Fund levy per term for each of the two funds, which will appear on quarterly statements. Receipts for tax purposes will be issued upon receipt to those families who choose to take up this option at the end of the financial year and the calendar year.
